

Hymer business incentive programme 2009 with super saving packages

Limited packages for all Hymer T-CL models

Bad Waldsee, Germany, 16 January 2009

Kicking off the year 2009, Hymer presents limited packages or super saving packages for all semi-integrated T-CL models. These represent very attractive price advantages for customers with savings between Euro 4,780.00 and 6,380.00, depending on package.

As part of the super saving package, the T-CL models with Ford chassis have exterior paintwork in Torino blue, including attractive design decals at the rear and painted spoilers.

The cab comes with power windows and power-adjustable outside mirrors. seats covered in living-area fabric and with driver/front passenger air bag, air conditioning, central locking with remote control, a concertina darkening system and dashboard in wood finish.

Furthermore, the limited packages have a Hymer panoramic roof vent, a mosquito net roller door, an awning light and a 150-litre jumbo refrigerator.

Putting the finishing touches to the package is an audio system 6000 with CD player (including steering wheel remote control), radio/TV pre-installation including TFT mount, and a BAS 60 satellite dish with jointed mast.

The total package price of Euro 3,495.00 offers customers a price advantage of Euro 4,780.00 compared to the original price of the individual modules.

In case of special Cristal Silver paintwork, the price of the super saving package is 4,295.00, giving the customer a price advantage of Euro 6,380.00.
