The Hymer Exsis 580 at a glance

Exsis-i 580  3.500 kg – 4.500 kg  

Exsis-t 580  3.500 kg – 4.400 kg   []

Main highlights:

- Particularly compact dimensions with a width of 2.22 m and an external height of 2.77 m
- The low frame optimised for motorhomes provides the perfect basis in terms of costs, comfort and safety on a Fiat chassis.
- Thanks to the new assistance systems, the new Exsis is even more automotive
- The new 9-speed automatic transmission brings the Exsis on a Fiat chassis up to par with a passenger car gearbox
- Reliably within the 3.5 ton class as a semi-integrated and integrated vehicle in spite of the luxurious furnishings and equipment
- The new-generation furniture has brought the Exsis into the modern age and up to par with the new Hymer interior design, including the integrated 32" TVs in the comfort bathroom. An improved sense of space is also achieved – say goodbye to that cramped feeling

Highlights of the Fiat original frame:

- Numerous new assistance systems
 - Full Brake Function (FBC)
 - Blind Spot Assist (BSA)
 - High Beam Recognition
- 9-speed automatic transmission
- New Euro 6d Temp engines

FACTSHEET

- New generation of engines from 120 – 180 hp
- Fiat low frame with wide-track rear axle
 - 1.98 m headroom despite an external height of just 2.77 m
 - Lighter bodywork ensures plenty of payload reserves
 - Wider track creates more room for the motorhome bodywork and provides greater stability on the road

Comprehensive standard equipment for the Exsis 580 integrated and semi-integrated models:

- New, modern furniture finish Sauvignon Oak
- Furniture that opens up the space with flowing transitions and integrated functions, e.g. 32-inch TV in the bathroom recess.
- Two single beds with a length of 1.95 m and 1.91 m
- Even greater feeling of space at the rear as the overhead lockers have been removed. Also no risk of banging your head (still available as an optional extra)
- Plenty of storage space under the beds and in the floor-to-ceiling, full-length wardrobe
- Large 142 l fridge-freezer as standard
- Despite the step due to the improved shape towards the cab, the living area is level throughout
- Inviting comfort bathroom with a large shower, beautiful washbasin and convenient bench toilet
- New interior finishes at the front with even more storage space.
- Large moped garage and even more space across the width due to improved shelves.
- 120 hp as standard with the torque of the former 130 hp engine
- Hymer high-tech PUAL 2.0 bodywork (100% wood-free and without thermal bridges)
- Driver and passenger airbags as standard
- Garage loading capacity up to 350 kg
- Premium high-tech bodywork with aluminium inner and outer panelling
- Multi-zone cold foam mattress with high-quality cover including bamboo viscose material for optimal moisture regulation and restful sleep
- Optimised interior design for maximum storage space and a generous feeling of space
- Radio and TV point

Optional extras

- 16-inch alloy rims
- Ambient lighting
- Sliding shelf for gas bottles
- Additional cushion between twin beds with easy-to-climb ladder
- Kitchen window covering with back-painted acrylic glass including socket package (4x 230 V / 3x 12 V / 2x double USB)

FACTSHEET

- Oyster 80 Digital Vision satellite antenna
- 22 or 32-inch LED flat screen with integrated speakers, remote control, DVD drive and Hymer Smart-Multimedia-System including Hymer Smart-Control
