Similar to configured vehicle

### Base price incl. VAT

£114,560.00<sup>a)</sup>

### Vehicle price incl. VAT:

£118,400.00<sup>a)</sup>

<sup>a)</sup> All prices are recommended retail prices in GBP including legal applicable VAT, On The Road Charges (OTR including delivery from Germany, registration and PDI). Possible import duties are not included and will be charged separately. Your local dealer informs you about the applicable prices, taxes and duties for your country.

\*The technically permissible total mass is a value specified by the manufacturer, which the vehicle must not exceed, even when loaded. It therefore has an influence on the permissible number of seats, options for selecting special equipment and remaining payload options.

Detailed information on weights and vehicle configuration can be found in our technical data, legal information section and in the configurator.
