

The new HYMER ML-T 580

Overall length	Approx. 698 cm
Overall width	Approx. 222 cm
Overall height	Approx. 292 cm

Basic price: €104,900

The updated interior design of the Hymer ML-T 580 featuring two new premium style collections, improved self-sufficiency features as standard, as well as connectivity via the Hymer Connect app, means that you have the freedom to enjoy your holiday to the fullest.

Main highlights:

- New exterior design: dynamic black/grey standard decals and a black roof rack, as well as a ladder
- New interior design like the Venture S: furniture designed with modern, curved edges and straight lines, tiled wall in the kitchen, as well as matt black fittings in the kitchen and bathroom
- Premium panels on all the windows and entrance door for an integrated appearance and practical use thanks to multifunctional rails
- Choice of two premium style collections: “Velvet Ash” (dark wood finish paired with light, welcoming wall coverings) and “Native Bamboo” (from the Venture S, featuring stylish bamboo accents).
- The S-shaped fleece makes the sleeping area feel particularly cosy.
- New lounge-style seating area with Duo-Core upholstery for extra comfort and integrated, flat headrests that don't need to be removed to watch TV
- New multi-level lighting concept: ambient lighting throughout the vehicle (including reading lights for the multifunctional wall and pendant lamp from the Venture S)
- Improved self-sufficiency as standard thanks to the compressor refrigerator, diesel heater and 80 Ah LFP battery (1,800 W inverter, 2x95 W solar panels, 2nd toilet cassette and water filter, 3x80 Ah LFP batteries available as an optional extra)

- Improved ergonomics in the sleeping area (no more hitting your head on the rear overhead lockers) and bed length of over 190 cm for a better night's sleep
- Smart controls using the Hymer Connect app
- Premium push-lock mechanisms with real leather strap and soft-close mechanisms on overhead lockers

Comprehensive standard equipment (selection):

- Mercedes-Benz Sprinter 3.5 t – 415 CDI – 110 KW/150 hp – Euro VI-E
- 6-gear manual gearbox
- 71-litre fuel tank
- 16" steel rims (silver) including hubcaps and all-season tires
- 154-litre compressor refrigerator with freezer compartment and double hinge for opening in both directions (independent of gas, no restrictions on uneven terrain or at higher temperatures)
- 3-burner gas hob with safety pilot, electric ignition, flame guard and glass lid
- Comfort bathroom with matt black fittings
- As it is diesel-powered, the 6 kW hot-air heating system with boiler increases your self-sufficiency when travelling
- 120-litre fresh water tank capacity
- 80 Ah LFP battery
- Numerous driver assistance systems for a high level of safety and driving comfort (e.g. cruise control, hill start assist, etc.)
- 7-inch touchscreen for convenient control and monitoring of important vehicle features and components
- Large rear garage with lashing rails and two large garage doors
- Electric waste water tank drainage
- Electric parking brake
- Tempmatic semi-automatic air conditioning system

Optional extras:

- Permanent four-wheel drive including 93-litre fuel tank
- Second toilet cassette including bracket for even greater self-sufficiency
- Grünbeck water filter
- Gearbox and water tank protection plate
- Additional 3x80 Ah LFP batteries and 1,800 W inverter
- 16" off-road tyres (all-terrain) and spare wheel on rear wall
- 2 x 95 W solar panels
- Black roof rack and hinged rear ladder
- Multi-level lighting system with dynamic and individual light controls (including light temperature) as well as atmospheric plinth lighting
- Comfort sleeping system with disc spring frame
- Bed conversion for comfort L-shaped seating area
- Central locking system
- Awning with dimmable lighting
