

The new HYMER ML-T 570 CrossOver

Overall length	Approx. 689 cm
Overall width	Approx. 222 cm
Overall height	Approx. 292 cm

Basic price: €153,900

When it comes to design, comfort and self-sufficiency, the ML-T 570 CrossOver special edition model is setting new standards. The intuitive control of the vehicle features using the Hymer Connect app makes life easier for first-time campers.

Main highlights:

- New exterior design due to CrossOver decals with fresh, green accents
- “Tenorite Grey Metallic” paint finish for the cab and “Crystal Silver” paint finish for the bodywork
- New interior design with the “Native Bamboo” style collection (from the Hymer Venture S)
- Optional “Lund Leather” special upholstery (with green accents and premium diamond stitching on the backrests of the driver and passenger seats)
- Improved ergonomics in the sleeping area thanks to the comfort sleeping system with disc spring frame
- Lounge-style seating area with Duo-Core upholstery for extra comfort and integrated, flat headrests (which don’t need to be removed to watch TV)
- Bed conversion for comfort L-shaped seating area
- Ambient lighting with dynamic and individual control of the lighting and light temperature, including reading lights for the multifunctional wall
- Pendant lamp from the Hymer Venture S and atmospheric plinth lighting
- Premium push-lock mechanisms with real leather strap and soft-close mechanisms on the overhead lockers
- Improved self-sufficiency as standard thanks to the second toilet cassette and fresh water filter

- Compared to the previous model, the bed on the driver's side is seven centimetres longer to ensure a better night's sleep
- Smart controls using the Hymer Connect app

Comprehensive standard equipment (selection):

- Mercedes-Benz Sprinter 3.5 t – 419 CDI – 110 KW/190 hp – Euro VI-E
- Permanent four-wheel drive including 93-litre fuel tank
- 9G-Tronic automatic transmission
- 16" off-road tyres including wheel arch expansion at the front
- Gearbox and water tank protection plate
- Lithium battery system with 4x80 Ah lithium batteries and accurate remaining battery percentages
- 157-litre compressor refrigerator with freezer compartment and double hinge for opening in both directions (independent of gas, no restrictions on uneven terrain or at higher temperatures)
- 3-burner gas hob with safety pilot, electric ignition, flame guard and glass lid
- 6 kW diesel-powered hot-air heating system with electric immersion heater for increased self-sufficiency
- 120-litre fresh water tank capacity and Grünbeck water filter
- Rear garage with lashing rails and two large garage doors
- Electric waste water tank drainage
- Tempmatic semi-automatic air conditioning system
- Numerous driver assistance systems for a high level of safety and driving comfort (e.g. cruise control and hill start assist)
- Electric parking brake
- 7-inch touchscreen for convenient control and monitoring of important vehicle features and components
- Swivel/Vario bathroom with matt black fittings
- Awning with dimmable lighting
- Black roof rack and hinged rear ladder

Optional extras:

- 18" off-road tyres with Delta alloy rims optional
- Central locking system
- Winter package including heated seats and heat-insulating cab
- "Lund Leather" leather combination (with green accents and premium diamond stitching on the backrests of the driver and passenger seats)
