NEC Motorhome and Caravan Show, October 2024 – ERIBA is thrilled to announce that the ERIBA Touring 620 has been awarded in the category of 'Any Pop Top Caravan Over 1,150kgs' by the Caravan and Motorhome Club. This accolade is a testament to ERIBA's commitment to innovative design, timeless style, and unparalleled craftsmanship.

Each year, the Caravan and Motorhome Club Caravan Design Awards celebrate excellence in the industry, evaluating a wide range of entrants for their design, functionality, and overall performance. The rigorous judging process begins weeks before the Motorhome and Caravan Show at the NEC in Birmingham, where a team of expert judges thoroughly research each caravan online. Factors such as bed comfort, sitting areas, standing headroom, kitchen layout, storage solutions, safety features, and weight distribution are scrutinized. Prior to the event's opening, the judges then personally visit each caravan to experience its features firsthand.

This year, the highly anticipated results for 2024 were unveiled on Wednesday, 18th October, and ERIBA is proud to have secured the top spot in its category. The judging panel praised the ERIBA Touring range, stating, "The ERIBA Touring range shows that it is influenced by its past but continues to lead the way for the future of caravan design."

The ERIBA Touring 620, known for its signature retro aesthetic and cutting-edge engineering, blends heritage with innovation, making it a favourite among both seasoned adventurers and newcomers alike. This layout is ideal for families, with the kids enjoying the fun of sleeping in the roof bed, while the parents can relax in the spacious king-size bed at the rear. The kitchen spans the full width of the caravan and is conveniently located at the front as you step inside. The Truma Combi 4E heating system guarantees a warm and comfortable night's sleep for everyone.

A clever twist on a design classic, the ERIBA Touring 620 Legend brings the campervan and caravan worlds together. A lot to like in the 620, retro vibe with its modern interior design. The washroom is well thought out with storage easy to clean and usable in a very compact space.

This award highlights ERIBA's ongoing mission to push the boundaries of caravan design while maintaining the comfort, safety, and style that customers have come to expect.
