- Praised for its exceptional design and capabilities, with Out & About Live describing it as offering a “style and quality with matched good design.”

**London, 13<sup>th</sup> December 2024** – ERIBA is proud to announce that the ERIBA Car 600 has been honored with the coveted title of ‘Best Fixed Bed Campervan’ at this year’s Out & About Live Campervan Awards.

The ERIBA Car 600 emerged victorious in one of the most competitive categories of the awards, impressing an expert panel of judges with its innovative design, superior build quality, and exceptional features. The judges described the category as “one of the hardest to judge” this year, making the win an even greater achievement.

“The new ERIBA Car 600 really impressed us with its build quality and panache, as well as a host of features that help it stand out from the crowd,” the judges noted. They further praised the campervan’s versatility and attention to detail, highlighting its appeal to a wide range of adventurers, from seasoned road-trippers to those seeking a stylish entry into the world of campervans.

Another standout feature of the ERIBA Car 600 was its starting price of £71,000. “Its starting price of £71k was a very pleasant surprise that puts it in direct competition with Fiat and Ford-based rivals,” the judges commented. This competitive pricing, coupled with the campervan’s premium features, underscores ERIBA’s commitment to delivering luxury and value to its customers.

This prestigious award reaffirms ERIBA’s reputation as a leader in the campervan and caravan industry. For decades, ERIBA has been synonymous with quality, innovation, and timeless design, and the ERIBA Car 600 is yet another testament to this legacy.

## About ERIBA Car

For six decades, ERIBA has brought the timeless spirit of a carefree roadtrip to the streets with the ERIBA Touring cult caravan range. Adventurers of all ages are impressed by the vehicles offering the highest levels of comfort and quality; above all, however, it is vehicles that people remember, and which are constantly setting new trends. The latest product from ERIBA is also following this recipe for success: with the launch of the ERIBA Car, there is now a camper van on a VW chassis that looks just like the cult caravans from the 1960s, yet with its own unique charm.

As a result, ERIBA has provided a solution to those who want a camper van that offers not only the unique character of the cult brand, but maximum flexibility as well. True to the ERIBA slogan “Anything but ordinary”, the ERIBA Car is not only stylish, but also surprisingly functional and offers a number of customisation options. The result is a vehicle that meets every requirement. “There aren’t many caravan manufacturers who also tell a story in addition to simply producing vehicles,” says Frank Heinrichsen, Head of Central Marketing at Hymer GmbH & Co. KG. “From the very beginning, however, ERIBA has been surrounded by this unique narrative of freedom, individuality, and refreshing coolness. Without sacrificing any of this, the ERIBA Car now demonstrates that we have not only grown as a company, but also grown up.”
