

Expect New Horizons

Four strong statements for stylish travel

Hymer presents the innovations for the 2026 model year at the Caravan Salon Düsseldorf

- **Hymer B-Class ModernComfort (B-MC):** Travel in style with premium comfort, a new spa bathroom, and a smart technology package.
- **Hymer ML-T 580 CrossTrail:** Off-road performance meets maximum self-sufficiency – for explorers with demands.
- **Hymer Redwood 600 & 601:** Compact freedom with design quality and digital intelligence.
- **Hymer B-Class MasterLine BlackLine (B-ML):** Special edition with iconic design, smart technology, and uncompromising comfort.

Düsseldorf/Bad Waldsee, August 29, 2025 – At this year's Caravan Salon Düsseldorf, Hymer emphasizes its premium expertise in the motorhome and camper van segment. Whether stylish comfort, uncompromising self-sufficiency, urban flexibility, or striking elegance – there is a suitable model for every type of traveler.

"We are proud to demonstrate the diversity and innovative strength of our brand with these pioneering highlight models," says Christian Bauer, Chairman of the Hymer Management.

The Art of Comfort: The New Hymer B-MC

With the new B-Class ModernComfort (B-MC), Hymer takes comfort, design, and technology to a new level. Two exclusive interior worlds, a redesigned bathroom area with spa feeling, and the unique SLC chassis in connection with the Mercedes-Benz Sprinter make the B-MC a stylish travel companion. The smart Hymer Connect App, new comfort features like a compressor refrigerator and capacitive water level indicator, as well as a 4-level lighting system, complete the overall package.

Built for the rough. Made for the independent: Hymer ML-T 580 CrossTrail

The new ML-T 580 CrossTrail is the edition model for those seeking freedom without compromise. With all-wheel drive, comprehensive self-sufficiency features, and a 5G router, it is ready for any terrain. The exclusive interior with leather variant "Tallinn" with orange stitching and piping, spacious comfort bathroom, and striking LED light bar make it the perfect companion for discerning explorers.

Compact. Smart. Confident: Hymer Redwood

With the Redwood, Hymer introduces a new camper van series to the road, combining urban flexibility with premium comfort. Two layouts (600 & 601), three equipment lines (Sport, Trail, Explorer), and a homely interior with bamboo decor and Travel Lounge offer maximum freedom in six meters of length. Equipped with Hymer Connect as standard, the Redwood impresses with smart control, striking design, and thoughtful functionality.

Statement in Black: Hymer B-Class MasterLine BlackLine

The new special edition of the B-Class MasterLine combines iconic design with technical excellence. The contrasting exterior in Obsidian Black and Crystal Silver Metallic meets a stylish interior with Grand Oak decor and concrete-look flooring. Equipped with Hymer Connect, a 5G router, and a solar panel package, the BlackLine offers uncompromising comfort and digital sovereignty – in four integrated and one semi-integrated variants.
